

Welcome to Saigon Noodles & Grill

Our restaurant provides authentic Vietnamese cuisine that offers customers a local experience. Vietnamese cooking use ingredients like lemongrass, ginger, mint, coriander, cinnamon, chili, lime, and basil leaves. Traditionally, its recipe does not use much oil or dairy, is also very low in sugar and is almost naturally gluten-free, as many of our dishes are rice-based instead of wheat-based.

We are grateful for your support and helped us to do better each day. The best high-quality food and services to our customers are our goals. Your support and kindness have given us the confidence to better serve our customers and community.

As always, we greatly appreciate your feedback and introduction of our restaurant to your friends, businesses and families.

Enjoy your dining and thank you!!!
